

Another in the fire

**There's a grace when
the heart is under fire
Another way when
the walls are closing in**

**And when I look
at the space between
Where I used to be
and this reckoning
And I know I will never be alone**

There was another in the fire

Standing next to me

There was another in the waters

Holding back the seas

**Should I ever need reminding
Of how I've been set free
There is a cross that bears the burden
Where another died for me
There is Another in the Fire**

**All my debt left for dead
beneath the waters
I'm no longer a slave
to my sin anymore**

**And should I fall in the space between
What remains of me and this reckoning
Either way I won't bow
To the things of this world
And I know I will never be alone**

There is another in the fire

Standing next to me

There is another in the waters

Holding back the seas

Should I ever need reminding

What power set me free

There is a grave that holds no body

Now that power lives in me

**And I can see the light
in the darkness**

**As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin**

**I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between us**

**There is no other name
But the Name that is Jesus
He who was and still is
And will be through it all**

**So come what may
in the space between
All the things unseen
and this reckoning
I know I will never be alone**

There'll be another in the fire

Standing next to me

There'll be another in the waters

Holding back the seas

**And should I ever need reminding
How good You've been to me
I'll count the joy come every battle
'Cause I know that's where You'll be**

And I can see the light in the darkness

As the darkness bows to Him

I can hear the roar in the heavens

As the space between wears thin

**I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between us**

**Even if He doesn't
I will praise Him
Even if He doesn't
I'll stand tall**

**Even if He doesn't
I'm not bowing to this world**

**Even if He doesn't
I can see the light**

**Even if He doesn't
I will praise Him
Even if He doesn't
I'll stand tall**

**Even if He doesn't
I'm not bowing to this world**

**Even if He doesn't
I can see the light**

And I can see the light in the darkness

As the darkness bows to Him

I can hear the roar in the heavens

As the space between wears thin

I can feel the ground shake beneath us

As the prison walls cave in

Nothing stands between us

Nothing stands between us

There'll be another in the fire

Standing next to me

There'll be another in the waters

Holding back the seas

**And should I ever need reminding
How good You've been to me
I'll count the joy come every battle
'Cause I know that's where You'll be**
